

Vote Green November 2, 2004!

John Amarilios

for State Senate - 36th District

Greenwich - Stamford - New Canaan

- **UNIVERSAL HEALTHCARE** – A statewide healthcare program to cover CT's uninsured. Maine has done it; why can't we?
- **FAIR VEHICLE TAXES** – Base taxes on automobile size and fuel consumption.
- **NO MORE CASINOS** - End state complicity in a miserable industry of addiction.
- **REINSTATEMENT OF CONNECTICUT'S USURY LAWS** - Stop the banks and credit card companies from charging exorbitant interest rates and gouging those who can least afford it.
- **FORECLOSURE DEFENSE** - Change our foreclosure laws to allow families 5 years to restructure their mortgage arrearages. Outlaw municipal tax foreclosures, and increase homestead exemptions to the full assessed value. Creditors should not be able to take people's homes away.
