VOTE GREEN

Are you a voter without a
candidate?

Don't stay home on election day and let the
major party politicians write you off as
someone who was either too lazy or uncar-
ing to vote.

Register and vote Green

Show them that you will support candi-
dates who are committed to improving the
environment. Let them know that you vote
and that you can be won over if they start
to produce real environmental results.

Don't think that a vote for a Green Party
candidate is wasted if they don't win. The
major parties are forced to look at the
Green Party vote totals and to think about
why they didn't get your vote. As the
number of Green votes increase they will
start to try to find ways to win you over.
They will no longer be able to take your
vote for granted.
